

Grue

NEW
VENUE
for 2023

Going to Grue

Scarborough Library is in Scarborough Town Centre

ARCADE is a community producing company

Together, with artist Steve Wintercroft, they are putting on a event

The event is called Grue. Grue is on the first floor of Scarborough Library

Grue is on throughout December on Weekends, and Thursday and Friday evenings

Grue starts at different times throughout the day, everyone has a different time slot so that they can start their experience with their group

You will choose your time slot when you book your tickets

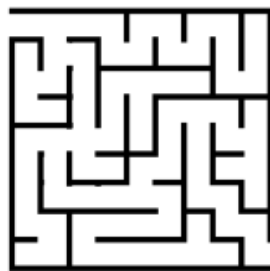

I am going to go with my friends

When I arrive, I will get a warm welcome from staff

I will move through Grue which is like a maze

I will see different worlds and environments. There will be ear defenders I can wear if I want.

I will see different creatures and talk to them on my way around Grue

If I want, I can take pictures of Grue

If I need help there are staff that can help. They wear black hoodies that say 'ARCADE' on the front and 'TEAM' on the back in pink

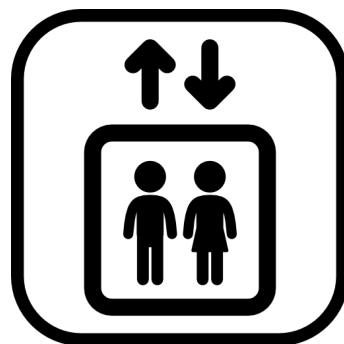

ARCADE

I can go to the cafe space which is quieter. The cafe has seats, snacks, and drinks

I can make my own paper art work in the cafe

There will be a wheelchair accessible toilet and a lift. The accessible toilet is on the ground floor.

It will take 20 minutes to travel around Grue

I might like to say goodbye to people I have met
At the end of the event, I will go home
