

2 brilliant projects for Spotlight Youth to take part in this Autumn!

Pied Piper cast on stage

Pied Piper (September)

We are delighted to be able to offer the members of SYT the opportunity to take part in a project with internationally renowned artist and company, Conrad Murray and the Battersea Arts Centre Beatbox Academy (BBA).

Young people from Spotlight Youth will have the opportunity to learn the foundations of beatbox theatre from Conrad himself, to be inspired by this art form and be a part of the show on stage at Brid Spa along with a professional cast. No previous experience in beatbox or performing is necessary to take part - we just need enthusiasm!

There is no additional cost to take part in Pied Piper, just your weekly £2 subs. Tickets to see the show are Pay What You Can and will go on sale soon. Dates and consent form below.

Young people who want to take part in this project must be able to make all associated dates.

Birds on the Edge at North Yorkshire Moors (October - November)

Birds on the Edge is a programme run by the North Yorkshire Moors Trust, which looks at building habitats for birds. You can see more about the wider project [here](#)

Spotlight Youth have been invited to create a piece of drama or music, inspired by the parks and will be able to take part in a day visit to learn about the Park, the wildlife there and to take part in some conservation related activities. We also have 15 spaces available for a residential to the park. There will be no additional costs on top of your weekly session fees. We will send further info and consent forms nearer to the time.
